Welcome to Buluwai Country

Kuranda Attractions respectfully acknowledge Buluwai ancestors, who walked this land in a time not so long ago.

"We pay homage to our neighbouring tribes, Djabugay (north), Irukandji (east), Muluridji (west), Ngatjan (south west) and Idindji (south).

All of whom, we share Dreamtime Stories of Creator God Bulurru, ancestral lore, kinship and landscape natural boundaries of rivers, creeks and mountain ridges.

Our voices are important and speak for this country. Enjoy your day with our people, listen to their words and be mindful of our natural environment and the uniqueness of our pre-historic native animals and plants. Take nothing with you but good memories, and as practiced in the past, leave nothing behind but our footprints.

In friendship, peace and harmony, we welcome you all to Buluwai Country."
