Batreach
KURANDA • TROPICAL NORTH QUEENSLAND

Complete a short online visitor survey and the North Queensland Wildlife Trust will donate \$2 to BatReach - Kuranda's bat rescue & rehabilitation Centre. Your feedback is important to Kuranda.

BatReach is a full volunteer operated, not-for-profit, wildlife rescue facility in Kuranda that has been caring for sick and injured bats of the Wet Tropics and educating the public on their importance for over 25 years. Specialising in the endangered Spectacled Flying-Fox, they also provide care for other native arboreal species such as possums and gliders.

Simply scan the QR code to access the visitor survey and help support vital wildlife care.
